

Hello,

I am so excited that you have interest in participating in a trip to Kenya with Project Lucas. This trip (June 28-July 11/12) is open to any individuals, groups or church groups that desire to go. I need a minimum of 10 people with a maximum of 40 to make this trip happen! I have attached the details of the trip, many of you that attended before are familiar with the details. Although, we will be adding many new elements/activities to the trip due to the growth of our sponsorship program and the school. Community outreach will be key elements of this trip.

The cost will be \$2,200 plus airfare. We ask that groups and individuals get their own airplane ticket. Church groups or groups can raise their funds under their church and then the church pay us for their in-country costs. Although, if individuals are raising funds on their own donors can donate directly to Project Lucas for their in-country costs and their airplane ticket for vaccinations, and eVisa if individuals provide proper receipts and documentation to Project Lucas. Project Lucas can then reimburse an individual for those costs after all the funds for in-country costs (\$2,200) are raised. Project Lucas can advise individuals on fundraising and provide a sample support letter by just emailing me at scott@projectlucas.org
